Product short description:

To clear! Double Sided Channel Quilted Fabric with Scrim Back

Fire Retardant Upholstery Soft touch quilted fabric.

138cm wide.

Known as Baffle or Channel quilting. The stitching runs down the length of the fabric.

Channel quilting allows warmth to be evenly distributed across the fabric.

10oz wadding, quilted with a channel and backed with a scrim lining.

Used for:

- Upholstery
- Soft Furnishings
- Horse Rugs
- Bedding
- Jackets
- Gilets

This item is made in Great Britain.
