Product short description:

To clear! Double Sided Channel Quilted Fabric with Scrim Back

3 inch straight line quilted fabric. 180g Fire Retardant Wadding with a 40g white non-woven backing

Fire Retardant Upholstery Soft touch quilted fabric.

138cm wide.

Known as Baffle or Channel quilting. The stitching runs down the length of the fabric.

Channel quilting allows warmth to be evenly distributed across the fabric.
