# EU Fabrics

Metalized Foil Laminate

Product codes:

Reference: EUF8122 (B208)

Product price:

£ 6.95 tax included

Product attributes:

Colour: Metallic Foil8122
Type: Fabric, Order Sample, Thread

Product short description:

Tough foil-backed industrial sheeting.

Made from a very thin coloured foil with reinforced polyethylene plastic substrate.

This is a stiff fabric with an industrial feel.

Uses include:

- heat barriers and shielding
- equipment covers
- duct and pipe insulation wrap
- greenhouse insulation
- trailer or cargo insulation
- displays

Width: 122cm.
