6oz Waterproof Waxed Cotton Fabric, Rust

Reference: EUF8138

Product price:

£5.95 tax included

Product attributes:

Colour: Rust029
Type: Fabric, Order Sample, Thread

Product short description:

This 6oz waxed cotton fabric is a genuine antique style waxed canvas, made in the UK from 100% cotton and finished with a traditional wax coating. At 150cm wide in a warm rust shade, it develops a natural, vintage patina as it is used, while staying waterproof and wind resistant. Priced at £5.95 per metre, it suits tailoring, tents, boat covers and equestrian gear alike.
