Orange Sherpa Faux Fur Fabric

Reference: EUF8185

Product price:

£4.95 tax included

Product attributes:

Colour: Orange8185
Type: Fabric, Order Sample, Thread

Product short description:

This orange faux fur fabric has a soft, sherpa style pile that feels warm and cosy against the skin. It works well for snug throws, blankets and other soft furnishing projects where a bright pop of colour is wanted. As an end of line clearance fabric, stock is limited, so it suits crafters who want to make the most of a good price while it lasts. It is sold by the metre.
