Product short description:

This high quality canvas PVC fabric combines the natural strength of canvas with a robust PVC backing to create a reliable and hard wearing material for a wide range of projects. Manufactured at 150cm wide, it provides excellent durability and water resistant properties, making it suitable for both commercial and personal use. Whether you are creating outdoor furnishings, storage solutions or protective covers, this fabric is built to withstand regular wear and challenging conditions.

- Heavy duty waterproof canvas fabric with PVC backing
- Strong and durable construction for long term use
- Excellent water resistant properties
- 150cm wide fabric for versatile applications
- Suitable for indoor and outdoor projects
- Hard wearing surface designed for demanding environments
- Easy to work with for custom manufacturing and repairs
- Ideal for covers, cushions, bags and protective products
- High quality canvas PVC fabric with professional appearance
- Reliable waterproof cover material for everyday use
