Product short description:

Quilted fabric in viscose acetate lining material. Viscose is well known for its beautiful and silky feel with a luxurious shine to it. It is breathable like a cotton and a supple feel of a luxurious silk. Used for coats, jackets, clothing, light upholstery, bridal, and many more.

70g Wadding

20g added layer of non-woven scrim on the reverse of the wadding to give added strength.

147cm wide
