### Product short description:

Fabulous stretch velvet fabric.  Our velvet velour fabric has excellent stretch from the width and the length.  It does have more stretch from the width than the length.  It has a beautiful soft feel and of a very high quality.

Excellent material for dress, leotards, dance wear, costume making.

147CM Wide
250 grams per square meter in weight
90% Polyester
10% Spandex Velour
