Hand Sewing Needles: Tapestry: Size 24

Reference: EUF701-H203.24

Product price:

£1.13 tax included

Product attributes:

Product short description:

The blunt point parts loosely woven fabrics without snagging. Coated golden eye aids easy threading and resists thread damage. Ideal for tapestry, cross stitch and sewing up knitted or crochet garments.

Tapestry needles have a blunted end to pass through needlecraft fabric and canvas without damaging the weave. They also have a longer eye to thread the thicker yarns used in many crafts. Size 24.
