

Woven Non-Roll Elastic 1m x 20mm - White

**Product codes:**

Reference: EUF703-H630.20

Product price:

£ 2.20 tax included

Product attributes:

Variant: 1m x 20mm

Product short description:

Our best quality polyester elastic. Specially woven to resist rolling and twisting. Very resilient and a popular choice when a stronger elastic is required. Commonly used for waistbands and similar applications. Comes as 1m x 20mm in packing. The width of elastic determines its tension or strength. Use narrow elastic for light tension, wider for heavier tension.
