

Olfa's largest Rotary Blade 60mm

**Product codes:**

Reference: EUF7059-O-RB60

Product price:

£ 7.99 tax included

Product attributes:

Size: RB60-60mm

Product short description:

Choose Olfa's largest rotary blade for more heavy-duty projects. The 60mm tungsten tool steel blade cuts up to eight layers of fabric at a time. This blade is super sharp right out of the package and stays that way longer, thanks to its high-quality construction.
