Product short description:

Jaguar Grain Vinyl Leatherette

A high quality upholstery leatherette fabric designed for the classic Jaguar interiors. It is designed to reproduce the exact same vinyl grain at the time of manufacture. Our fire retardant faux leather fabric is ideal for car interiors, car seats, upholstery, vehicle seating and general auto upholstery.

The colour grains are also are match for the Austin Healey cars as well.

- 140cm wide
- 0.95mm Thickness
- Fire Retardant
- Slight stretch
