

Joblot Scuba-Like Fabric Approximately 3,000 meters

**Product codes:**

Reference: EUF8029

Product price:

£ 895.00 tax included

Product attributes:**Product short description:**

Joblot

We have approximately 3,000 meters of this fabric, in a great range of colours.

Width 150cm.

Soft finish, scuba - like fabric.

This soft, warm fabric is similar in texture to neoprene but much more lightweight and does not have the water resistant properties.

Made from 2mm thick Polyester, this fabric has some stretchy qualities.

Colours: Grape, Grey, Magenta, Purple, Red, Lime and Dusty Pink.

This fabric is not waterproof.
